

MORSE, Stanley

May 3, 1941 - April 2, 2021

On Friday, April 2, 2021, Stanley Morse, loving husband, father and grandfather passed away at the age of 79 with his family by his side. Stan was predeceased by his parents (Peter and Annie Morse) as well as his in-laws (Maurice and Elmira Cook). He is survived by his loving wife of 55 years Carolyn, son Kim (Tina), daughter Tami, son-in-law William, and his grandchildren Kylee and River who he adored so very much. Stan was born in Regina on May 3, 1941 and spent his early years on the family farm near Kayville. His family eventually moved to Regina where Stan attended Scott Collegiate and later the University of Regina. Following retirement from a 26 year career with S.T.C. Stan and Carol merged their compassions for helping others with their healing skills and created Kelly Avenue Massage Clinic. They worked as business partners until the business closed in 2016. Stan volunteered his time and efforts to numerous organizations including the Regina YMCA, the Y's Men's Club, the Paratransit Advisory Board, ACT/UCT just to name a few. His contributions to these different groups, coupled with his outgoing and jovial personality, created many lasting friendships that he valued dearly. Dad faced every struggle, challenge and obstacle that life put in his path with courage, determination and fortitude. He always placed the needs of others before his own and his commitment to providing for his family was paramount and we are forever blessed for the experiences, opportunities and memories that he provided for us. From spending time at the cabin at Lumsden Beach to summer vacations in the motorhome, Dad truly made our lives very special. We would like to thank the doctors, nurses and medical staff who provided excellent care for Stan over the years. In particular, the concern, compassion and empathy exhibited by Doctor Stephen Bester was appreciated by the family more than words can possibly describe.
